[REDACTED]

I checked on the status of this case at 9:00 a.m. today. [REDACTED] said he turned the assignment of getting [REDACTED] up here to [REDACTED] and I should contact him. I talked to [REDACTED] who said he would get the file out and call me back.

After lunch (about 12:45) I called [REDACTED] 25X1A office again as to any action that had been taken. One of the girls in his office informed me that they dispatched a letter to [REDACTED] today STATOTHR forwarding him personnel forms and asking him to come to Washington for an interview.

(Apparently no action had been taken on your request of 1 August until I made the follow-up call today.)
